DETAILED ACTION

Election/Restrictions

Applicant's election with traverse of first species (claims 1-18 and 22-25) in the reply filed on 2/14/05 is acknowledged. The traversal is on the ground(s) that the first and second species may be distinct for the reasons set forth by the Examiner, Applicant believes that simultaneous examination will not present an undue burden. This is not found persuasive because the Examiner gave sufficient reason of distinctness and Applicant acknowledged this. The withdrawn species are drawn a different invention.

The requirement is still deemed proper and is therefore made FINAL.

This application is in condition for allowance except for the following formal matters:

Non-elected claims 19-21 are still present on the application.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
